PRESS NOTE

IMPLEMENTATION OF E-WAY BILL SYSTEM

As per the decision taken by the GST council in its 24th meeting held on 16.12.2017, E-way bill became mandatory and has come in to effect across the country w.e.f 01.02.2018.

However, in view of the difficulties faced by the trade/Industry in generating e-way bills due to technical glitches, it has been decided by the Central Government to extend the trial phase for generation of E-way bill, both for inter and intra-State movement of goods. The date of implementation of e-way bill will be notified later.
