Subject: Request for Information under the Right to Information Act, 2005

Dear Sir/Madam,

I hope this letter finds you well. I am writing to you under the provision of the Right to Information (RTI) Act seeking information regarding the import of sisal bags. This request is made under the provisions of the Right to Information Act, 2005. I believe transparency in this matter is essential for the public interest.

I kindly request the following information:

1. Provide data on the total quantities of sisal bags imported into India from 01.04.2015 to 31.12.2023.
2. Disclose information on the countries of origin from which these sisal bags were imported.
3. Name and details of the companies involved in the import of sisal bags during the mentioned period.
4. Any specific permits or exemptions granted to these importers and the reason for such allowances.
5. Share details regarding the documentation submitted for the import of sisal bags, including bills of lading, invoices, and any relevant certificates.
6. Specify the customs duties and taxes applicable to the import of sisal bags, and if there have been any changes in these rates over the specified period.
7. Provide information on the regulatory requirements and compliance measures associated with the import of sisal bags.
8. Detail any quality standards or certifications that imported sisal bags are expected to adhere to, and how compliance is ensured.
9. Share insights into the mechanisms in place to monitor and regulate the import of sisal bags, including inspections and checks.
10. Specify any enforcement actions taken by the Customs Department in cases of non-compliance or illegal imports of sisal bags.

I am making this request to gain a comprehensive understanding of the sisal bags import landscape in India and the regulatory framework governing these imports. I have paid reasonable fees associated with the processing of this request, and I kindly request that the information be provided within the stipulated timeframe under the Act.

Thank you for your attention to this matter. I look forward to receiving the requested information and contributing to a better understanding of the import dynamics of sisal bags in India.

Information Sought (जानकारी मांगी):

As a Indian citizen I AM ALSO AN INDIRECT TAXPAYER. Every nations expenses like salaries of government servants , office equipments, instruments provided to govt. offices depend entirely on the nations taxpayers. THE RTI ACT 2005 is a big step towards making the citizens informed about the activities of the Government. An inspection involves checking something, i.e., examining and assessing something. We may inspect an organization to make sure that it meets specific standards. The inspectors need to ensure that nothing is faulty and that nobody is breaking any laws. They also have to make sure that whatever they are inspecting is safe. ACCOUNTABILITY IS AN ASSURANCE THAT AN INDIVIDUAL OR ORGANIZATION IS EVALUATED ON ITS PERFORMANCE OR BEHAVIOR RELATED TO SOMETHING FOR WHICH IT IS RESPONSIBLE.
