PUBLIC NOTICE No. 18 / 2020

**Sub: Implementation of automated clearance on All-India basis – reg.**

Attention of all importers/ exporters, concerned stakeholders and the members of Trade is invited to Board's Circular Nos 15/2020 dated 28.02.2020 and this office Public Notice 16/2020.

2. As detailed in Para 4 of the said Circular/PN, after the goods registration is complete, the designated proper officer of Customs would do all the necessary verifications of Customs Compliance Verification (CCV) requirements under the Customs Act, rules, instructions etc. and will give OOC the same way in the System as is being given now from the SUP role. The other conditions, except the condition of duty payment would still be checked by System at the time of goods registration. Once the OOC is given, the BE will not move to GAT queue automatically. Instead, it would move to CCV queue which can be checked from the BE movement. Once the payment is made by the importer and is integrated in the System, the BE would instantly move to GAT queue and OOC print would be available for generation. Needless to say, if the importer has already paid the applicable duties by the time the proper officer has processed it for CCV, the BE would immediately go to the GAT queue after the OOC is given by the officer in System. Similarly, the deferred duty BEs shall also move to GAT immediately without waiting for duty payment.

3. Action to be taken in terms of decisions taken in this Public Notice should be considered as Standing Order for the purpose of officers and staff of this Custom House.
